Coffee Date Secrets Master Seductor

If your goal is to create a strong connection with the girl you desire so you can ultimately love her and keep the girl of your dreams then this book is for you.

If your goal is to pick up and seduce as many women as possible in the shortest amount of time possible, then this book is also for you. It will assist you to construct the kind of relationships you desire with the women that you desire.

The coffee date is the most crucial social interaction you will have with a woman. On this date she will determine whether she will ever see you again or go on a second date with you. Most courtships hang in the balance depending on the result of the coffee date. Simply put, if you get the coffee date right, she will see you again. And if you get it wrong, she won't.

You might spend days or even weeks interacting with a woman before she gives you her number, but you can blow your chances totally and permanently in under twenty minutes, if you don't get this date right. Even if you've managed to get a girl's number in under ten minutes, you'll still have to go through the coffee date trial before things can go any further.

Women generally need to spend around eight hours with a man before they are comfortable becoming intimate with him. Most men fail to realize how to correctly utilize these eight hours.

A lot of men attempt to skip the short coffee date. These men usually try to take a girl out to the movies or out for dinner on their first date with the girl. These men usually never get to see the girl again. They fail to use the secrets of time fractionating. They fail to lay the correct ground work first. They fail because they skip the coffee date.

The purpose of this book is to teach you the required skills to make you a master of the coffee date. It will teach you how to build connection throughout the date thus ensuring her levels of attraction towards you are always increasing. It will do this by exposing secrets of seduction that remain hidden from the majority of men.
