Very LeFreak Rachel Cohn

Very LeFreak has a problem: she's a crazed technology addict. Very can't get enough of her iPhone, laptop, IMs, text messages, whatever. If there's an chance the incoming message, call, text, or photo might be from her super-secret online crush, she's going to answer, no matter what. Nothing is too important: sleep, friends in mid-conversation, class, a meeting with the dean about academic probation. Soon enough, though, this obsession costs Very everything and everyone. Can she learn to block out the noise so she can finally hear her heart?

From acclaimed author Rachel Cohn comes a funny, touching, and surely recognizable story about a girl and the technology habit that threatens everything.
