Understanding Candle Magic Is Easier Than You Think

When I first became interested in candle magic, I didn't know where to start. I wrote this book with that in mind. I will take you through all of the elements of candle magic. Starting with choosing the right candle, then preparing the candle for your spell. The book includes a list of herbs that are commonly used in candle magic and it explains how to incorporate crystals and gemstones into your spells

Wealth In All Areas Of Life

I believe that we should be fulfilled in all areas of our life. I have included spells for wealth and diet, because I think that having enough money, and being physically fit will make us feel better and be able to do more good in the world. I have also included spells for Love, Healing, and Universal Justice.
