Jasmine Whiley is with three of her friends on a weekend stay in the wilderness. All she wants is to relax and take her mind off her exams next week. But after one of her friends starts hunting animals in the forest, it becomes apparent the time for relaxing is over.

Thunder Brad is the king of a bear shifter tribe whose job is to protect the forest. He and his cousin Spike share their role as king, as well as many other things. When misfortune befalls the forest Brad and Spike decide it is Jasmine who must pay for the misdeed, even though she had nothing to do with it.

So begins Jasmine's great adventure with the Uthuro Bear Tribe. She will explore the love and sexual realizations that come with a menage relationship, as well as its endless challenges.
