Revenge Roy Glenn

After an unsuccessful attempt, by some of their own people, to kill Black, Bobby and Rain, they brace themselves for another civil war. But Black thinks that this time is different. There are too many things that either don't make sense or cannot be easily explained. Now Black and Rain are in the streets and they will kill any and everybody they think might be involved, and they won't stop until they get answers. Not willing to sit around and wait, Wanda and Shy hit the streets too. Wanda didn't necessarily want the whole city dead. "Unless that's what it takes." Wanda just had some questions and with Shy's help, she will get the answers that they are looking for.
