You have a special guy, right. He's your boyfriend or soon to be boyfriend.

You're crazy about him? Yes?

Good, I'm crazy about mine.

You love your guy to pieces.

But sometimes you worry that you two don't have enough in common.

You worry that we might drift apart.

Just the thought hurts my chest.

You so want this to work.

You're so scared that you'll mess it up.

I found the best thing to do is spend time with him.

Do stuff. That's it.

It's hard to grow apart if you both are communicating all the time.

Make memories.

Of you and him.

He means the world to you. It's like you've finally found your other half.

You say, 'He's so good to me.' And you want to make sure he's having as much fun as you are.

This book is here to help.

Here's a list of things you can do together so you don't end up in a rut.

No new memories, doing the same exact boring things that you've always done.

This recipe will have you stop communicating and soon drift apart. Keep things FRESH.

You like spending time with him, right?

Good. Then instead of spending time, invest time. Invest in making life long memories.

Why? Because . . . because he's . . . your guy.
