Fitz John Porter

Robert Grey Reynolds Jr.

Fitz John Porter Robert Grey Reynolds Jr.

The ordeal of Fitz John Porter continued for almost a quarter of a century after the officer was court martialled in December 1862. After being found guilty and cashiered from the United States Army he was barred from holding government offices for the rest of his life. Yet Porter endured and used a disciplined and never say die approach to vindicating his reputation and restoring his military rank. This struggle lasted for some fifteen years. My e-book draws greatly from newspapers of the late 19th century which reported the court martial and its long aftermath firsthand. Readers will be intrigued by the amount of detail that I have packed into this short biography of an unjustly treated military figure.
