(Book). Kickstart My Heart: A Motley Crue Day-by-Day is an exciting chronology that celebrates in innovative form through the use of day-by-day entries and supporting band quotes mostly collected firsthand by the author, as well as memorabilia shots and photography the crazy lives lived by Vince, Mick, Nikki, and Tommy at the booze-drenched apex of the rock-'n'-roll food chain. Augmented with entries that help place the band in a wider rock context, Popoff presents a swift-moving, action-packed symphony of text and visuals that reprises his collaboration with Backbeat on similarly structured titles about Iron Maiden and Ozzy Osbourne. With very few Motley Crue-related books on the market, Kickstart My Heart will likely serve for years to come as the most complete and completely party-hardy celebration of this band now 35 years on and in the midst of completing its final tour ever.
