De-familiarizing Readings: Essays from the Austin Joyce Conference. (European Joyce Studies)

De-familiarizing Readings: Essays from the Austin Joyce Conference. (European Joyce Studies)

Unlike many recent Joyce studies, *De-familiarizing Readings* eschews the theoretical and ideological and instead plants itself on firmer ground. Its eight outstanding Joyce scholars share a love of the "stuff" of texts, contexts, and intertexts: data and dates, food and clothing, letters and journals, literary allusions, and other quotidian desiderata. Their inductive approaches - whether to *Dubliners*, *Portrait of the Artist*, *Ulysses*, or *Finnegans Wake* - are thoroughly researched, argued with meticulous, even nit-picking, precision, and offer the pleasurable reading experience of forensic analysis. And in the end they provide the satisfaction of reaching persuasive conclusions that seem both striking and inevitable.
