The words of the intercessor are a power force for healing the wounds of the past and shaping the course of history. This book will help the intercessor release those words into the heavens and bring down God's will on earth.

Goll shifts the focus of intercession away from the typical "shot gun" approach of praying for the whole world in a single prayer. At the same time he impressively portrays how you can focus your prayer on what God desires as opposed to what you need.
