Introduction to Econometrics

James H. Stock, Mark W. Watson

Introduction to Econometrics James H. Stock, Mark W. Watson

Econometrics comes alive with Introduction to Econometrics! This new, much-anticipated text teaches students how to become sophisticated consumers of econometrics. The authors focus on empirical analysis, integrating large data sets and modern, real-world questions into the theoretical development of the text. The intuitive approach of Introduction to Econometrics uses interesting applications to motivate students to learn theory and to help them understand the application of the theory. Students come away with a thorough understanding of econometrics and of the relationships on which people, businesses, and governments base their decisions.
