Operation Black Swan: A John Powers Novel (John Powers Novels) (Volume 1) Mr. Owen Parr

In the aftermath of the horrifying attacks of September 11, 2001, a second wave of attacks is expected to hit the U.S. mainland. The year is 2002. A Cabal of elite "one world" proponents, in conspiracy with members of the Chinese government, has developed an operation to spark the birth of their new world order. John Powers, ex-Delta Force sniper and CIA operative and the Alpha Team, must act now. Joey Valentine, a 22 year-old African-American computer whiz and master hacker, Melissa Harrington, 21 year-old ex-con, convicted of killing her tormentor and child molesting step-father, and Jackie Allison, a 31 year-old ex-DEA undercover agent, together with John Powers, are the Alpha Team. Their employer is Sect-Intel, a private intelligence firm owned by Alex Cardenas, and under contract to the Department of Defense and the CIA. Following standard operating procedures is not the norm for John and the Alpha Team. They must do what it takes to prevent the horrifying multiple- pronged attack that is about to be unleashed on the United States. In 1983 a Korean Airlines 747, flight 007, was shot down by the Soviet Union. Aboard that flight was an outspoken congressman by the name of Larry P. McDonald. In 1976 Congressman McDonald said: "The drive of the Rockefellers and their allies is to create a one-world government combining supercapitalism and Communism under the same tent, all under their control. Do I mean there is a conspiracy? Yes I do. I am convinced there is such a plot, international in scope, generations old in planning, and incredibly evil in intent." David Rockefeller, in his book, Memoir, said the following: "Some even believe we are part of a secret cabal working against the United States, characterizing my family and me as 'internationalists' and of conspiring with others around the world to build a more integrated global and political structure – one world, if you will. If that's the charge, I stand guilty, and I am proud of it." A fusion of facts and fiction ripped from the headlines.
