Snow White, the Viking Princess - The Majik Mirror Eric L. Olson

The Majik Mirror has reemerged in the Viking lands. Snow White has discovered its location and has sent her bodyguard Thor the Berserker to retrieve the dangerous mirror. A group of fanatical warriors calling themselves Mystics, and claiming to be descendants of the ancient Druid priests have Snow White's son hostage and hold him ransom in exchange for the mirror. Snow White's father, missing these long years, foresaw the dangers of these Mystics and brought in warriors to train his only child. Though she has never drawn blood in battle, she now has to find a way to rescue her child and keep the dangerous and evil mirror out of the hands of the Mystics and their blood thirsty master, Borgan the Black. The lives of her family, her friends and all the Viking people hang in balance.
