Soteriology: A historical and systematic look at the essential issues of the doctrine of salvation and sanctification. C Michael Patton

This is a systematic and historical theology workbook. Its primary purpose is to trace through the scope of biblical salvation and examine the Church's various positions on key, relevant doctrines. We will begin by examining the components of salvation in order to establish an order or process. You will learn about the various views of what Christ's death accomplished and the major Church traditions on justification and sanctification allowing you to better understand the gospel.
