## **Women and Men** Joseph McElroy

Beginning in childbirth and entered like a multiple dwelling in motion, *Women and Men* embraces and anatomizes the 1970s in New York—from experiments in the chaotic relations between the sexes to the flux of the city itself. Yet through an intricate overlay of scenes, voices, fact, and myth, this expanding fiction finds its way also across continents and into earlier and future times and indeed the Earth, to reveal connections between the most disparate lives and systems of feeling and power. At its breathing heart, it plots the fuguelike and fieldlike densities of late-twentieth-century life. McElroy rests a global vision on two people, apartment-house neighbors who never quite meet. Except, that is, in the population of others whose histories cross theirs—believers and skeptics; lovers, friends, and hermits; children, parents, grandparents, avatars, and, apparently, angels. For *Women and Men* shows how the families through which we pass let one person's experience belong to that of many, so that we throw light on each other as if these kinships were refracted lives so real as to be reincarnate. A mirror of manners, the book is also a meditation on the languages—rich, ludicrous, exact, and also American—in which we try to grasp the world we're in. Along the kindred axes of separation and intimacy *Women and Men* extends the great line of twentieth-century innovative fiction.

### From reader reviews:

#### Howard Martinez:

In this 21st century, people become competitive in most way. By being competitive right now, people have do something to make all of them survives, being in the middle of the particular crowded place and notice by simply surrounding. One thing that at times many people have underestimated the idea for a while is reading. That's why, by reading a guide your ability to survive improve then having chance to stand up than other is high. For you personally who want to start reading a new book, we give you this specific Women and Men book as nice and daily reading book. Why, because this book is greater than just a book.

#### Richard Daniels:

People live in this new day time of lifestyle always make an effort to and must have the extra time or they will get great deal of stress from both way of life and work. So , whenever we ask do people have spare time, we will say absolutely yes. People is human not really a robot. Then we question again, what kind of activity do you possess when the spare time coming to you of course your answer may unlimited right. Then do you try this one, reading guides. It can be your alternative inside spending your spare time, the particular book you have read will be Women and Men.

#### Ethel Springer:

Playing with family within a park, coming to see the ocean world or hanging out with close friends is thing that usually you may have done when you have spare time, then why you don't try issue that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Women and Men, you may enjoy both. It is fine combination right, you still want to miss it? What kind of hang type is it? Oh come on its mind hangout fellas. What? Still don't have it, oh come on its referred to as reading friends.

#### Michael Hollinger:

Reading a book make you to get more knowledge from the jawhorse. You can take knowledge and information coming from a book. Book is created or printed or outlined from each source which filled update of news. In this particular modern era like right now, many ways to get information are available for an individual. From media social such as newspaper, magazines, science publication, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Are you ready to spend your spare time to spread out your book? Or just in search of the Women and Men when you essential it?
