Bet Me

Katie Blu

Bet Me Katie Blu

Lucy Covington has had a crush on her hunky best friend for years. In an effort to tip the scales in her favor, she entices him to challenge her to a bet. She says he relies on his charm and can't seduce a woman properly. Charlie Blackwell says otherwise. To prove it, he'll make her beg him to fuck her. Charlie has spent the last year confused about the way Lucy makes him feel. When the challenge is issued, all bets are off, and Lucy has a few surprises of her own in store. When the last moan echoes, their relationship will never be the same again.

From reader reviews:

James Kline:

Reading a guide tends to be new life style with this era globalization. With studying you can get a lot of information that will give you benefit in your life. Together with book everyone in this world could share their idea. Guides can also inspire a lot of people. Many author can inspire their reader with their story or even their experience. Not only the story that share in the textbooks. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors nowadays always try to improve their expertise in writing, they also doing some exploration before they write with their book. One of them is this Bet Me.

Alyson Ward:

Are you kind of busy person, only have 10 as well as 15 minute in your time to upgrading your mind ability or thinking skill possibly analytical thinking? Then you are receiving problem with the book when compared with can satisfy your short space of time to read it because all of this time you only find guide that need more time to be learn. Bet Me can be your answer because it can be read by you actually who have those short time problems.

Virgil Santamaria:

Is it an individual who having spare time then spend it whole day by means of watching television programs or just laying on the bed? Do you need something totally new? This Bet Me can be the reply, oh how comes? The new book you know. You are consequently out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these books have than the others?

Kristy Moore:

Reading a book make you to get more knowledge from it. You can take knowledge and information from your book. Book is created or printed or created from each source which filled update of news. With this modern era like at this point, many ways to get information are available for anyone. From media social just like newspaper, magazines, science reserve, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Do you want to spend your spare time to open your book? Or just trying to find the Bet Me when you required it?
