This casebook is designed to introduce property law to 21st century law students. It covers the standard property topics with a blend of familiar and modern cases selected to appeal to today's students. It also includes sections on intellectual property and environmental law. As with other books in the Interactive Casebook series, the accompanying electronic version allows students immediate access to the full text of cited cases, statutes, articles, and other materials in the Westlaw database. In addition, the electronic version includes over 200 photographs, maps, diagrams, original documents, and audio clips that help students understand the case materials, together with more than 300 multiple choice questions and answers so that students can assess their progress.
