Chuck Klosterman

The Visible Man: A Novel Chuck Klosterman

New York Times bestselling author of *Sex, Drugs, and Cocoa Puffs* and *Downtown Owl*, “the Ethicist” of the *New York Times Magazine*, Chuck Klosterman returns to fiction with his second novel—an imaginative page-turner about a therapist and her unusual patient, a man who can render himself invisible.

Therapist Victoria Vick is contacted by a cryptic, unlikable man who insists his situation is unique and unfathomable. As he slowly reveals himself, Vick becomes convinced that he suffers from a complex set of delusions: Y__, as she refers to him, claims to be a scientist who has stolen cloaking technology from an aborted government project in order to render himself nearly invisible. He says he uses this ability to observe random individuals within their daily lives, usually when they are alone and vulnerable. Unsure of his motives or honesty, Vick becomes obsessed with her patient and the disclosure of his increasingly bizarre and disturbing tales. Over time, it threatens her career, her marriage, and her own identity.

Interspersed with notes, correspondence, and transcriptions that catalog a relationship based on curiosity and fear, *The Visible Man* touches on all of Chuck Klosterman’s favorite themes—the consequence of culture, the influence of media, the complexity of voyeurism, and the existential contradiction of normalcy. Is this comedy, criticism, or horror? Not even Y__ seems to know for sure.

It can't be stated constantly that reading habit only for the geeky individual but for all of you who wants to possibly be success person. So , for every you who want to start reading through as your good habit, you may pick The Visible Man: A Novel become your own starter.

Diana Keller:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this The Visible Man: A Novel can make you sense more interested to read.
