Whimsical – Collins dictionary - ‘Spontaneously fanciful or playful Quaint, comical or unusual, often in a tasteless way’ I believe life and love can relate to all the above meanings. In many cases it’s not we expect. The hearts and violins of stereotypical romance, is often superseded by either pragmatic incidents or complex emotions. About the various sections of Sonnets - Oh how we lament the brief seasons of life and love. The domestic scene, as well as the public one, often set the scene for a contest of ideologies. The rituals we perform and obsessions we develop, so often lead to disappointment. Human frailties may cause us to set upon a collision course with nature. Often our natural instincts battle with our intellectual thoughts. Although life or love can be filled with great tragedies or wonderful pleasures, so often it seems to be a whimsy – does not fit with any category.
