The European Union Explained: Institutions, Actors, Global Impact Andreas Staab

The European Union Explained provides a concise overview of the structure, history, and policies of the European Union. Anyone who needs a quick and accessible introduction to the EU -- including scholars and professionals in government, business, media, or the nonprofit sector -- will find this volume a valuable tool. Ideal for advanced high school and college text use, it is also useful background reading for those planning overseas study, work, or research. Drawing on many years of teaching and consulting, Andreas Staab offers basic terms and interpretive frameworks for understanding the evolution of the EU; the overall structure, purpose, and mandate of its main constituent divisions; and key policy areas, such as market unification.
