As a commander of Delta Force-the most elite counter-terrorist organization in the world-Pete Blaber took part in some of the most dangerous, controversial, and significant military and political events of our time. Now he takes his intimate knowledge of warfare-and the heart, mind, and spirit it takes to win-and moves his focus from the combat zone to civilian life.

As the smoke clears from exciting stories about neverbefore-revealed top-secret missions that were executed all over the globe, readers will emerge wiser, more capable, and more ready for life's personal victories than they ever thought possible.
