**Acid Rayne** Ciana Stone, Nathalie Gray

Rayne is a mercenary, six feet of blonde bombshell. As clean-up gal for diamond privateers, she's seen her fair share of ugly deals and violence. And her latest mission promises to be the same. Yet the price of her choices is getting higher. All her life she's wanted to find a good, strong man, one who would know how to touch her, quench the all-consuming fire and match her sexual energy. Now that she's finally found him, she has to hide her true self, lie and cheat. Former special ops soldier Ripley Knight is everything she wants, all that she craves. His demanding hands conquer all her defenses and his mouth—that wicked thing—denudes her every secret. No pleasure is beyond his skill and no decadence too great. In exchange, all Rip wants is the one thing she can't give. Truth. Amidst the torrid Floridian wilderness and carnival season, with dangers coming at her from every quarter, Rayne will learn that only Rip can help her. Only he can douse the inferno.

### From reader reviews:

#### **Karen Arsenault:**

Here thing why that Acid Rayne are different and trusted to be yours. First of all examining a book is good but it depends in the content of it which is the content is as yummy as food or not. Acid Rayne giving you information deeper including different ways, you can find any e-book out there but there is no book that similar with Acid Rayne. It gives you thrill studying journey, its open up your eyes about the thing that will happened in the world which is probably can be happened around you. You can actually bring everywhere like in playground, café, or even in your technique home by train. For anyone who is having difficulties in bringing the published book maybe the form of Acid Rayne in e-book can be your alternate.

#### **Luther Brown:**

Reading a reserve tends to be new life style within this era globalization. With studying you can get a lot of information that will give you benefit in your life. Having book everyone in this world can share their idea. Publications can also inspire a lot of people. Lots of author can inspire their reader with their story or maybe their experience. Not only the storyplot that share in the textbooks. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors nowadays always try to improve their ability in writing, they also doing some investigation before they write to their book. One of them is this Acid Rayne.

#### **Linda Mays:**

Your reading 6th sense will not betray an individual, why because this Acid Rayne publication written by well-known writer we are excited for well how to make book that can be understand by anyone who all read the book. Written in good manner for you, still dripping wet every ideas and creating skill only for eliminate your own personal hunger then you still skepticism Acid Rayne as good book but not only by the cover but also through the content. This is one e-book that can break don't determine book by its include, so do you still needing one more sixth sense to pick this specific!?! Oh come on your looking at sixth sense already told you so why you have to listening to an additional sixth sense.

#### **Kelli Valverde:**

Do you like reading a publication? Confuse to looking for your chosen book? Or your book has been rare? Why so many question for the book? But virtually any people feel that they enjoy to get reading. Some people likes reading, not only science book but also novel and Acid Rayne or others sources were given knowledge for you. After you know how the good a book, you feel need to read more and more. Science publication was created for teacher as well as students especially. Those guides are helping them to put their knowledge. In different case, beside science reserve, any other book likes Acid Rayne to make your spare time a lot more colorful. Many types of book like here.
