"I always knew I was a pretty good writer and was looking for ways to make extra money to help out my family. This book was given to me and after reading it I started to put myself out there to see what I could do as a freelance writer. I was amazed at how much demand there is for writers. I love writing and could actually do it for free but if people are going to pay me to do it then I guess that's even more awesome as the extra money is nice --- (Kevin E. -Springfield, IL)
