**Le Nozze Di Figaro (The Marriage of Figaro): English National Opera Guide 17** Wolfgang Mozart  
English National Opera Guides are ideal companions to the opera. They provide stimulating introductory articles together with the complete text of each opera in English and the original. John Wells introduces the opera with a highspirited account of the action-packed career of the author, in many respects the prototype of Figaro himself. Basil Deane explores the score: he shows that Mozart's characters are illuminated here not so much in soliloquies but in their reactions to each other. Composer Stephen Oliver discusses how the comedy exists not just in the words but, essentially, in the music. The full Italian text is given, with a note on the order of scenes in Act Three and the alternative passages Mozart wrote for the 1789 revival. The classic translation of E.J. Dent is an excellent way to get to know the twists and turns of the plot and the stylish wit of da Ponte's innuendos.
