Sherlock Holmes vs. Dracula. Dr. Jekyll and Mr. Holmes

Sherlock Holmes vs. Dracula. Dr. Jekyll and Mr. Holmes

When this book passed through my hands in my local library, I could not resist, I absolutely could not resist, checking it out and taking it home. Who could spurn a book sub-titled "The Master Sleuth Meets the Master Tooth"? After all, the two fictional literary giants were indeed contemporaries. How could the Baker Street Duo have failed to be involved in Dracula's nefarious plot to conquer the Queen's Sceptered Isle? Really, it's obvious that Watson as well as Bram Stoker must have been holding something to their respective chests. We can only assume that Professor Van Helsing had a serious axe to grind with his rival, that gentleman known throughout the world as the Great Detective. The fans of the Great Detective, in fact, won't let the cocaine-snorting sleuth die. Even Arthur Conan Doyle tried it, and was forced to recant the detective's watery death. There are magazines and publishing companies that specialize in Holmesian stories to this day (Empire Publishing Company, with its Gaslight Publications imprint, is one example). Modern writers have seen Holmes and his straight-man sidekick battle Mr. Hyde and his angst-ridden alter ego, Dr. Jekyll; seen Holmes (gasp! never!) march down the aisle into wedded bliss; nodded in satisfaction as Holmes made short work of his less famous predecessor, Edgar Allen Poe's arrogant and nocturnal Parisian detective, C. Auguste Dupin (who may be seen at his best in "The Murders in the Rue Morgue"). And of course, in this story, see Holmes get the best of the Master Tooth, Vlad the Impaler himself.
