Throwing a blow-out bash for hot rockstar-turned-music exec Ace Carmichael should be as easy as pecan pie. It's my chance to prove my party-planning skills, but this bad boy client isn't making life simple with his broody looks and aversion to shirts. If only he'd stop tempting me to jingle all the way ... to his hot tub ... this could be my big break.

But thanks to four feet of snow, the event of the year is suddenly a party for two. So deck the halls with a dangerously sexy tattooed rocker, a dozen cases of champagne and ... me.

When the snow melts, Santa might not be the only one who's coming. So what's it going to be this year: naughty or nice?
