## The Quotable Rogue: The Ideals of Sarah Palin in Her Own Words

### When Sarah Palin says it, all of America hears it.

In the few years since Americans met Sarah Palin, her every word has been chronicled, analyzed, celebrated, and yes, infamously disparaged. Regardless of your party affiliation, it's impossible to deny her influence on American politics and the dialogue her ideas have generated. Author Matt Lewis has gathered some of Palin's most memorable remarks, reminding us that whether you consider her a rogue or a patriot, her words reveal a genuine love for America.

### Endorsements:

If you learned everything you knew about American politics from Matt Lewis, you'd be in pretty good shape. I should know, since I practically do.

?Tucker Carlson, Co-Founder and Editor-in-Chief of *The Daily Caller*

Matt Lewis is a conservative provocateur and has an easy way of making complicated issues understandable and leaving the DC jargon off the table. Matt's projects always make you think, reflect and act.

?Governor Rick Perry, 47<sup>th</sup> Governor of Texas

Sarah Palin is one of the most important conservative leaders in America -- and Matt Lewis is one of my favorite writers. Every conservative ought to have a copy of the *Quotable Rogue* in their personal library -- if for no other reason than to refute the distortions and lies constantly hurled at Palin by her detractors.

?Ken Blackwell, former Ohio Secretary of State, senior fellow at the Family Research Council

For all the accolades heaped on Mr. Obama for his soaring rhetoric and brilliant, professorial oratory, it's hard to deny that Sarah Palin is one of the most quotable leaders of the 21st century. *The Quotable Rogue* brings that into stunning clarity. And it's not because she's controversial -- it's because she's usually just right.

?S.E. Cupp, political columnist and culture critic, author of *Losing Our Religion: The Liberal Media's Attack on Christianity*

As you'll see in Matt's book, the reason for Sarah Palin's popularity is that she speaks in a blunt fashion and exposes truths that the politically correct job-protecting elites are fearful of. She is a far wiser woman than Katie Couric.

?Andrew Breitbart, Breitbart.com, author of *Righteous Indignation*

Sarah Palin drives the left crazy and makes many of the Republicans who collaborated with Democrats to destroy our fiscal wellbeing duck and cover. Matt Lewis captures, through Sarah Palin's own words, her wit, wisdom, and basic sense that America remains the last best hope for mankind.

?Erick Erickson, Editor-in-Chief of RedState.com

Steadfast in her beliefs and fearless in her demeanor, Sarah Palin has become a leading voice in today's conservative movement and has inspired a new generation of activists. This book of quotes captures the independent spirit of Palin and is a great resource for all of us who are 'going rogue' alongside her.

?Teri Christoph, co-founder, Smart Girl Politics

A book like this one is absolutely essential in a world where the media refuses to quote Gov. Palin without liberal doses of snark, vitriol, and hyperbole. It's refreshing to see straight quotes in print so that readers can make up their own minds.

?Adam Brickley, founder, "Draft Sarah Palin for Vice President"
