## **NO cosplay vamp is gonna upstage THIS wife...**

**A STEAMY series from USA Today bestselling romance author Starla Cole and her husband Maxwell.**

Things are going better for Ellen and Peter.

Peter has stepped up. Tied up. Stripped down.

Ellen's feeling like maybe a fifth anniversary isn't a death sentence for her marriage after all.

But then Peter gets called to attend a Cosplay Convention for work. Ellen logs on to the live feed, gets one look at the vampy costumes, and does what any sensible wife would do:

Buys the trashiest costume she can find and treks to the exhibition hall.

Peter is having a rough day at the convention.

An old ex-girlfriend seems determined to get a little action. Video cameras are watching the attendees' every move. If Ellen catches one glimpse of this woman, all hell will break loose.

Meanwhile, Ellen can't take two steps without someone wanting to take her picture. Then a Conan the Barbarian look-a-like hoists her over his head, lighting up every convention screen.

But then, isn't that her Peter? With his hands on some girl's naked backside?

The twists and turns of Couples Play #3 are ideal for comic relief, sexytimes, and any couple who's ever had jealousy "rear" its ugly head.
