Packed with essential information on key theories and best practice, and written in a highly readable style this book aims to raise awareness of main issues and offer practical support for practitioners working with children with EAL.

Covering a wide range of topic such as new arrivals, working with parents, assessment, planning, resourcing, play, communication and language, each chapter clearly lays out the key concepts, ideas and strategies alongside examples of good practice. Encouraging a reflective approach, the book features:

- Checklists, diagrams, chapter objectives and summaries and suggestions for further reading
