Keeping this secret is killing me. I have nowhere to turn and no one to talk to. I have to let it out or I'm going to go crazy. I'm driving my best friend away. Do I risk telling her everything and losing the man I've always wanted or keeping this secret and driving myself insane?

I know what she wants, but if I give it to her I can lose everything and tarnish my name. If I give in, she'll get what she wants. Do I put it all on the line for the girl I'm taken by?

Twenty-four-year-old MBA student Summer Farris works hard at everything she does and has the background, grades and ambition to prove it. But when she's snubbed for the coveted internship with billionaire business mogul and professor Chase Kerns, Summer is devastated.

Chase Kerns can have anything or any woman he wants and he knows his limits, or does he? The tall, dark and handsome billionaire is running from his mistakes of the past and now, a new temptation hangs in front of him. Will he make the right choice, or will desire and passion cloud his judgement and leave his life hanging in the balance.
