Robin Cooper is a twenty one year old girl, in love with life and her boyfriend Brad; that is until the day she starts work at Wallace International, and sees a handsome stranger in the elevator. He is Joshua Wallace, the billionaire entrepreneur and CEO of the company, and a master at being a master. Joshua devises a plan whereby he can bend the newcomer to his will, and starts it by seducing her in the elevator; their relationship quickly progresses until he initiates her into his world of BDSM. Robin had only ever experienced vanilla sex before, and surprises herself when she becomes willing to be his sub; desperate to feel of the erection of her hot new boss inside her, no matter what she has to do to achieve it.

Warning: This 7000 word story contains inappropriate office behaviour between an assistant and her boss, harsh graphic language, erotic situations, rough sex, anal sex, oral sex, BDSM, domination, submission, humiliation and it is very much a story for adults (18+)
