The Testing Joelle Charbonneau

It's graduation day for sixteen-year-old Malencia Vale, and the entire Five Lakes Colony (the former Great Lakes) is celebrating. All Cia can think about—hope for—is whether she'll be chosen for The Testing, a United Commonwealth program that selects the best and brightest new graduates to become possible leaders of the slowly revitalizing post-war civilization. When Cia is chosen, her father finally tells her about his own nightmarish half-memories of The Testing. Armed with his dire warnings ("Cia, trust no one"), she bravely heads off to Tosu City, far away from friends and family, perhaps forever. Danger, romance—and sheer terror—await.

From reader reviews:

Maria Asbury:

The book The Testing can give more knowledge and also the precise product information about everything you want. Why then must we leave the best thing like a book The Testing? A few of you have a different opinion about e-book. But one aim that will book can give many info for us. It is absolutely appropriate. Right now, try to closer together with your book. Knowledge or info that you take for that, you could give for each other; you may share all of these. Book The Testing has simple shape however you know: it has great and massive function for you. You can appearance the enormous world by available and read a e-book. So it is very wonderful.

Margaret Velasquez:

The actual book The Testing has a lot of knowledge on it. So when you read this book you can get a lot of benefit. The book was published by the very famous author. This articles author makes some research just before write this book. This kind of book very easy to read you can find the point easily after perusing this book.

Elizabeth Daugherty:

Playing with family in the park, coming to see the water world or hanging out with good friends is thing that usually you will have done when you have spare time, then why you don't try matter that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love The Testing, you could enjoy both. It is very good combination right, you still would like to miss it? What kind of hang type is it? Oh seriously its mind hangout people. What? Still don't obtain it, oh come on its called reading friends.

Pat Thomas:

Many people spending their time frame by playing outside having friends, fun activity having family or just watching TV all day every day. You can have new activity to pay your whole day by reading a book. Ugh, you think reading a book can really hard because you have to accept the book everywhere? It okay you can have the e-book, taking everywhere you want in your Smartphone. Like The Testing which is finding the e-book version. So , why not try out this book? Let's notice.
