Bondi Work

Bondi Work

The third in the Sydney photographer's acclaimed best-selling Bondi series of books, "in a market glutted with generic coffee-table tomes of vapid pretty boys, artist Paul Freeman brings a unique point of view to his exemplary collections..., magic combinations that he assembles in his sublime books of photos." (Advocate magazine)

Shot largely on location in sweaty workshops and factory environments, with the focus on the Aussie blue-collar worker, 'Bondi Work' continues, very much to our advantage, Freeman's fascination with capturing what is intrinsic to male beauty. "This book is beautiful. It's so great to see male nudes that are cool and strong and not just pussy." (celebrity photographer Tony Durran)

Following close on the heels of 'Bondi Urban', which portrayed lads of a surf and beach culture, Freeman's choice of models, the way he directs them into sharing intimate moments, his trademark use of dramatic lighting to elevate simple compositions, and his use of color, again infuses this work with a painterly romanticism. "Freeman searches for (and definitely finds!) subjects who are quintessentially masculine men. He uses his fellow countrymen (Australia) to show us the virile attitude of the untamed, knows how to make the partially clothed form even more sensuous than the fully nude form, and creates photographs that are well conceived and executed and presented in a superb format. For those looking for the best of the books of male photography, his deserve a place on top of the list!" (Grady Harper , review December 2005).

Freeman styles, designs and publishes his own books, and a rapidly growing appreciative audience quickly bought out the first print run of Bondi Urban, while most of the first run of Bondi Work is pre-sold.

All three books in the Bondi series are similar large format, chic, hardbound, color & b/w collectibles, with over 216 pages of photographs reproduced on quality art paper.

From reader reviews:

Rachel Louviere:

Reading a book tends to be new life style with this era globalization. With examining you can get a lot of information that will give you benefit in your life. Having book everyone in this world could share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their reader with their story or perhaps their experience. Not only the storyplot that share in the textbooks. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors nowadays always try to improve their skill in writing, they also doing some exploration before they write to their book. One of them is this Bondi Work.

Doris Trumbull:

In this period globalization it is important to someone to receive information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, newspapers, book, and soon. You can see that now, a lot of publisher that print many kinds of book. Typically the book that recommended to you is Bondi Work this guide consist a lot of the information in the condition of this world now. This book was represented so why is the world has grown up. The dialect styles that writer make usage of to explain it is easy to understand. The actual writer made some analysis when he makes this book. Honestly, that is why this book appropriate all of you.

Mary Linkous:

Within this era which is the greater person or who has ability to do something more are more treasured than other. Do you want to become among it? It is just simple way to have that. What you should do is just spending your time little but quite enough to get a look at some books. One of many books in the top record in your reading list is usually Bondi Work. This book and that is qualified as The Hungry Mountains can get you closer in becoming precious person. By looking right up and review this publication you can get many advantages.

Rebecca Farley:

A lot of reserve has printed but it is unique. You can get it by world wide web on social media. You can choose the most effective book for you, science, comedian, novel, or whatever by means of searching from it. It is named of book Bondi Work. Contain your knowledge by it. Without making the printed book, it could add your knowledge and make you actually happier to read. It is most crucial that, you must aware about book. It can bring you from one location to other place.
