## Len would do anything Glenn told him to do... After all, that's how he was programmed!

In this **sexy science fiction erotic story**, Glenn has just purchased the latest model of a pleasure-bot, who he affectionately calls Len. Len is the perfect man, built exactly to his specifications and programmed to do exactly as he commands. All he has to do is point the controller and press a button, and all his wishes come true.

But what happens when Len learns how to use the controller on his own?

Glenn's about to find out that a **disobedient android** can be more pleasing than he had ever imagined! And he'll also learn just how much fun it can be to **share**.

This story is approximately 4500 words, and includes gay menage experiences.
