## **Easy Grammar Plus** Wanda C. Phillips

Based on the prepositional approach to grammar, *Easy Grammar Plus* includes extensive grammar concepts, capitalization, punctuation, sentence types, phrases, clauses, gerunds, appositives, and other grammar concepts. Unit reviews, unit texts, cumulative reviews, and cumulative tests in grammar help to promote mastery learning.

The book is for teachers, as a teaching text; for parents, for homeschooling or helping your child through school; and for individuals, for an easy do-it-yourself refresher course. Right-hand pages are for testing or review; left-hand pages contain answers. Pages are reproducible for multiple use (non-commercial).

### From reader reviews:

#### **June Whitaker:**

Do you one among people who can't read enjoyable if the sentence chained inside straightway, hold on guys that aren't like that. This Easy Grammar Plus book is readable by means of you who hate the straight word style. You will find the info here are arrange for enjoyable studying experience without leaving also decrease the knowledge that want to offer to you. The writer associated with Easy Grammar Plus content conveys the thought easily to understand by most people. The printed and e-book are not different in the information but it just different as it. So , do you nonetheless thinking Easy Grammar Plus is not loveable to be your top checklist reading book?

#### **Diane Russel:**

Nowadays reading books be a little more than want or need but also be a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book this improve your knowledge and information. The info you get based on what kind of publication you read, if you want get more knowledge just go with education and learning books but if you want feel happy read one together with theme for entertaining like comic or novel. Typically the Easy Grammar Plus is kind of e-book which is giving the reader unstable experience.

#### **Farah McCune:**

What is your hobby? Have you heard which question when you got students? We believe that that problem was given by teacher to their students. Many kinds of hobby, All people has different hobby. And also you know that little person including reading or as studying become their hobby. You should know that reading is very important and book as to be the thing. Book is important thing to include you knowledge, except your teacher or lecturer. You get good news or update with regards to something by book. Amount types of books that can you decide to try be your object. One of them is this Easy Grammar Plus.

#### **John Stewart:**

Reading a publication make you to get more knowledge from that. You can take knowledge and information from your book. Book is created or printed or created from each source in which filled update of news. With this modern era like today, many ways to get information are available for an individual. From media social like newspaper, magazines, science reserve, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Do you want to spend your spare time to spread out your book? Or just in search of the Easy Grammar Plus when you required it?
