Heads Over Tails Cherry

Mina has taken a physical beating in the name of love. And to make matters worse the man she once gave her all to walked out the door behind the other woman. A bounce back from an almost detrimental depression was almost successful until she comes face to face with the happily ever after that almost ruined her life. With no more cheeks left to turn, how far is too far?

Sometimes the hardest part about stepping into your future is letting go of your past. Rich knows where his heart is and who it belongs to. But there could be a hefty price to pay when you open a new door of love without properly closing the old one. How can you keep the ones you love safe from something that you never saw coming?

Chandra never thought her emotions could ever get the best of her. That is until an altercation caused her to issue a brutal beating to the girlfriend of the only man she's ever loved. How do you pump the brakes on something that's racing out of control? What do you do when there's no way to right a wrong or turn back the hands of time?

Seven is normally a lucky number but in Jazzi's case it's a mystery wrapped up in the man she's waited her entire life for. When the answers to the questions that she only thought she wanted to know are revealed she's faced with the hardest decision to make in her life. Will she be able to see past his scars and do what she's never done in a relationship before?

Take a journey on a windy love lane where hearts will be broken, pain will be endured and happily ever afters will be found.

From reader reviews:

Kimberly Niemeyer:

Information is provisions for folks to get better life, information nowadays can get by anyone with everywhere. The information can be a information or any news even restricted. What people must be consider when those information which is inside the former life are challenging to be find than now's taking seriously which one is appropriate to believe or which one often the resource are convinced. If you receive the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take Heads Over Tails as your daily resource information.

Millard Lopez:

The book Heads Over Tails has a lot associated with on it. So when you check out this book you can get a lot of profit. The book was compiled by the very famous author. The author makes some research just before write this book. This specific book very easy to read you can find the point easily after reading this article book.

Joseph Bateman:

Can you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you never know the inside because don't assess book by its protect may doesn't work is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside appear likes. Maybe you answer could be Heads Over Tails why because the wonderful cover that make you consider in regards to the content will not disappoint an individual. The inside or content is usually fantastic as the outside or cover. Your reading sixth sense will directly show you to pick up this book.

Donald Lee:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Heads Over Tails can make you feel more interested to read.
