People are talking. *The Da Vinci Code* has been on the *New York Times* best-seller list for almost a year and is raising a variety of responses from Christians and non-Christians alike. Some are outraged and upset by the claims of Dan Brown, while others are left utterly confused and don't know what to believe. *The Da Vinci Code: Fact or Fiction?* shatters the myths of the book while showing the reliability of Scripture, the divinity of Christ, as well as the historical facts for the Priory of Zion and the Knight's Templar. This is the only hands-on, accessible reference guide. *The Da Vinci Code: Fact or Fiction?* even helps you turn debate about the book into an evangelistic opportunity.
