A Neighborhood of Eagles Norman Rudi

The aviators of WWII put their lives on the line to defend their country and the lives of others. In this incredible collection, nine airmen share their stories of valor, honor, and brotherhood. These first-hand accounts give us just a glimpse of what it was like to fly during battle – the danger, the thrill, and the bond that is forged – and the grim realities of a prison camp. It's a unique look at the personalities who took part in "the war to end all wars."
