## **All About the Sixth Sense: Exploring the Extrasensory World** Tom Pearson

This examination of supernatural abilities surveys the history and tradition of the sixth sense, presents recent research, and explains how everyone can become better aware of and develop their sixth sense. Telepathy, predictive abilities, psychokinesia, psychic photography, levitation, psychomotrics, channeling, and other phenomena are explained. Other extrasensory experiences, such as the jinx, stigmata, and astral travel, are also explored.
