Copyright Infringement I Didn't Know! (Copyright Cow Book 2) Timothy B McCormack

The Copyright Cow focuses on the untold stories of the second largest export of the United States – intellectual property and technology – through the lenses of law, economics (freaky-economics) and society.

Intellectual property is comic books, cartoon characters, the “Book of Life” embodied in the Human Genome, medicine, technology, movies, websites, and, for example, the business of producing and distributing milk (a Copyright Cow favorite).
