Walter Bosque

Hairy Pussy Girls (English, German and French Edition) Walter Bosque

A bush on the mount of Venus? Yes, the more luxuriant and the less shaven, the more we love it! More women than one might imagine would take offense if a man tried to tell them how things ought to look down there. And who's to say we're wrong if we love nothing more than to penetrate a lush bush on our way to the climax of erotic ecstasy? this new photo book with fantastic photography by Walter Bosque shows just how much electrifying eroticism can be found by playing with pubic hair. Texts in English, German & French.
