This thoroughly updated new edition of the much praised Bradt guide to Montenegro includes information on bird watching, national parks, and cycling, including the new European Bed and Bike Network.

Montenegro is one of the hidden corners of Eastern Europe, with a people who are almost overwhelmingly friendly to visitors who express an interest in exploring and learning about their country. No surprise then that the country is one of the top destinations in Europe. So struck was the author by Montenegro when she first visited in 2000 that instead of writing the commissioned 1,000-word article for a magazine, she wrote the Bradt guide instead!
