No Looking Back Abby Anderson

Have you walked away from everything you wanted and into nothing you imagined? No Looking Back is a compilation of life lessons God has taught me about who he really is and what faith is all about. It is my hope these chapters will inspire, encourage and enliven you. They explain what I gave up in order to find true and lasting peace. I gave up everything I wanted in my life to work: my marriage, my job, my friends, even myself. I gave each of these components of my life to God and he blessed me in ways I could never imagine. Did my marriage work out? No. I learned about grace and forgiveness. Did my job? I was set on another career path and began to shine, not to mention love what I do. My friends? I kept the old and discovered new ones. Myself? I changed radically in one year through the hardships, tears and hope. My prayer is that these stories will stir something deep within you to give up, give in, and give all to God to discover your courage, your tenacity, and your faith.
