Protecting His Heart: A Wyn Security Novel Dana Volney

When a mission goes sideways and leaves seasoned spy Arabella Nox with valuable information and a terrorist on her heels, she seeks out the one person on earth she hopes won't betray her: the husband she hasn't spoken to in years.

Felix Ibarra thought he'd put his past behind him, so he's shocked when Arabella shows up naked in his bed, warning him of an imminent threat. Then, to make things worse, she gets a job with his firm, Wyn Security, behind his back. It's clear there's more to her story, but trust doesn't come easily to either of them.

Can Felix and Arabella work together to banish a mutual enemy, or will the deep emotions that tore them apart the first time be their undoing once again?

This sexy cat-and-mouse game between former lovers will keep you on your toes all the way to the surprising ending.
