Montana sheriff Mike Cruise never pictured himself as a father. But with temporary custody of a toddler, he has to learn the ropes fast. Thankfully, his sweet new nanny, Malory Smythe, fits right in, and Mike begins to believe he can make this family thing work. Although he knows it can't last forever...

After her cheating ex left her pregnant and alone, Malory could easily fall for a strong, protective man. But she can't risk repeating past mistakes with men, especially with a child on the way. When their makeshift family is threatened, will it drive Malory and Mike apart...or will it bring them together for good?
