## **An Intrepid Traveller** Mark Jackson

China is an amazing country. A place that needs time and complete immersion to be able to understand. I took a job as a tour leader, and instantly I was out of my depth. I experienced places and situations that I could never have been prepared for and all with a group of paying tourists who were looking to me for guidance. However, this was a steep learning curve covering language, culture, and history. It was not long before I saw that the people who had saved up for their holiday of a lifetime were far less prepared than I was. For over two and a half years, I visited many parts of China and also took groups to Vietnam, Nepal, Mongolia, and Russia. All this time sampling the culture and learning as much as I could about China and this part of Asia. I had some sticky situations and a lot of laughs with friends that I will keep forever. Would you let me be your tour leader?
