The Inferno struck without warning, but Draco Dante had no complaints. For his family's legacy drew him to Shayla Charleston, a mysterious beauty who ignited his blood. Soon he had her in his bed...and just as quickly she was gone.

After months of searching, Draco finally found the woman who was his destiny...the woman who was about to bear his child. But secrets began to rise, and Draco was torn between past strife with their families, and a future with his wife and son. Could Draco trust she shared their Inferno bond?
