Seth was brilliant, caring, sexy and dead. Only a month after his death in a fiery car crash it seems his ghost has returned to haunt Julia Morris. The anguished Julia suspects that the tormented Seth patiently waits in some kind of a deathless limbo for her to join him. When Seth's twin Simon shows up, he relays a horrifying truth; his dead brother was not only murdered by the mob, but Julia is their next intended victim! Forced to trust a man her deceased lover distained, the pair are soon on the run, hoping to find a secreted computer disk before the mob's hit man does. To make matters worse, Julia discovers she is attracted to Simon even as Seth's ghostly whisper warns her to beware, hinting at a devastating secret that just may destroy every memory she holds dear.
