Is She Really Leaving Forever?

Tracing the difficulties and joys of carving out a life from the Dakota sod in the second half of the 800s, Tender Mercies continues Snelling's Red River saga and will pull your heartstrings and make you feel the joys and frustrations of life on the open lands of the 9th century mid-west.

The rich farmlands of the Dakota Territory in 1887 are finally beginning to yield the abundant harvest the pioneers had dreamed about so long. The establishment of the railroad has brought significant changes to the small town of Blessing as well as prosperity to the Bjorklund family and their neighbors.

Among the townsfolk, Reverend John Solberg--despite being wary of matchmaking efforts in the past--is developing a friendship with a delightful young woman through their common love of books. Mary Martha has a gentle southern charm that wins everyone in her circle but too soon she is called on to return home to care for her mother. She leaves behind many heavy hearts and countless questions of whether it will be the last time to see her.
