Wyatt Hunter is the reigning UFC champ home for the holidays, fresh from the circuit and all he wants to do is unwind between the thighs of some hot young thing who knows the rules. He wasn't looking for her, didn't even know she was out there; until he walked into a smoky bar on a cold winter's night and saw the world's greatest ass from across the room. Everything changed for him that night, within a split second the hardcore bad boy who was only looking for a good time, was hooked. Traci Starr is a budding law student with nothing more on her mind than passing the bar and going back to her little hometown in Nebraska. Out on a dare from her friends, who thought she needed to unwind, after fending off the unwanted advances of an admirer for the past few months, she's out of her element when the hotshot overly masculine, and extremely handsome Wyatt sets his sights on her. She fights him all the way, but she's no match for The Champ.
